Emailgen Systems publishes software that 'raises the power of your email'. Emailgen's eServer and eStationery products automatically brand, sign and disclaim email for Microsoft Outlook and Exchange for the entire firm. Reduce potential liability from improperly signed and disclaimed email while adding attractive an 'email letterhead' style to all external email that is consistent with your firm's corporate communication standards. For your wireless, web, Citrix and PC email communities, Emailgen is proven, reliable and scalable.
